CITY OF EL LAGO

MINUTES OF THE MARCH 4, 2020 REGULAR CITY COUNCIL MEETING 411 TALLOWOOD DRIVE, EL LAGO, TEXAS 77586

1. **Call to Order** Mayor Skelton called the meeting to order at 7:01 PM

2. **Invocation and/or Pledge of Allegiance**

3. **Declaration of a Quorum**

Present: Mayor John Skelton
Councilperson Shawn Findley
Councilperson Darin Clark
Councilperson Jeff Michalak
Mayor Pro Tem Ann Vernon
Councilperson Kris Kuehnel

4. **Citizen Comments**

Ken Paschall of 534 Whitecap stated he sees a flaw in the process for placing items on City Council agendas and recommended a process that will keep controversial items off of agendas in the future. He stated that if a resolution is made that it only be read the first meeting and then decided upon at the next meeting.

Tom Merchant of 315 Oak View Circle stated that as the Emergency Management Coordinator he wanted to give an update on the Corona virus. He advised of the current status of the virus within the state of Texas and Harris County. He advised that citizens should wash hands thoroughly, stay at home when sick, avoid mass gatherings, and clean and disinfect surfaces. Harris County has put together a readiness team and there were not cases reported yet in Harris County. Citizens may visit readyharris.com for more information.

Jeff Tave of 302 Pine View Circle stated he felt that anytime an item is on the agenda, even to just discuss, there should be a reference to what budget item will cover that item if additional costs to the City are proposed. He stated that he did not agree with speed humps/bumps and he is against these speed barriers because they create more maintenance costs, they impede emergency vehicles, they create wear and tear on vehicles, and they are a barrier to water flow.

Joan Schneck of 522 Seaway Drive reported that she has been receiving scam emails and didn't know what to do about them. Mayor Skelton advised she contact the Lakeview Police Department to report them.

August Oliver of 220 Bayou View Drive thanked the Mayor for having the item regarding speed bumps on the agenda. He stated that he understands water flow could be an issue if these are put into place.

5. **City Official, Board, Commission, Committee, & City Service Report**

- 5.1. *SVFD Monthly activity report* – Andy Gutacker went over the monthly activity report for February, 2020. There were 2 incidents, 1 was a medical call and 1 was a gas leak. The overall average response time was four minutes and 59 seconds.
- 5.2. *LPD Commissioner Michael O'Brien to report on LPD Commission activity* – Rob O'Donel went over the Strategic Traffic Report and the Ordinance Violation report for February, 2020. Mayor Pro Tem Vernon asked about the status of the cases on the Ordinance Violation Report that have been on the report for over 3 months. Mr. O'Donel explained that cases are reset at the courts often. Mayor Skelton informed him that there are still complaints regarding speeding. Mr. O'Donel suggested that the citizens call the police department to report these complaints. Councilperson Michalak asked if there is a tracking report of the citizens' calls. Mr. O'Donel stated that he is not aware of any additional reports other than the Calls for Service report.

6. Consent Agenda

- 6.1. *Check Detail for checks printed from February 20, 2020 through March 4, 2020*
- 6.2. *Minutes from the Council Meeting of February 19, 2020*

Mayor Pro Tem Vernon made a motion to approve the consent agenda and Councilperson Findley seconded. The vote was unanimous to approve.

7. New Business

- 7.1. *Stephanie Harris to present the FY2018 final end of the year audit.* Stephanie Harris reviewed the FY2018 Audit stating her firm is issuing an unmodified report of the city's financial statements. There was a net positive fund balance and expenditures aligned with revenues. The fund balance represented 43 percent of the annual operating expenses. Ms. Harris answered questions from Council members.
- 7.2. *Consider/Approve the end of the year FY2018 audit by Belt Harris Pechacek.* Councilperson Kuehnel made a motion to approve and a second was provided by Councilperson Michalak. The vote for approval was unanimous.
- 7.3. *Consider/Approve an agreement to contract for service with Belt Harris Pechacek for the 2019 end of year audit.* Mayor Pro Tem Vernon informed Council that the 2019 audit will need to be completed this year and Stephanie Harris said the state requirement is that annual audits must be completed within 6 months of year end. Mayor Pro Tem Vernon made a motion to approve and to adjust the budget to pay for the audit using the funds obtained from the 402 Cedar grant reimbursement and reserve funds. There was a second by Councilperson Findley. Councilperson Michalak stated he would like to see the budget adjustments at the next Council meeting. The vote was unanimous to approve.
- 7.4. *Consider/Approve a variance request for the use of the City of El Lago Event Room from Shelly Jones.* Shelly Jones informed Council that the Lakeshore Condominium Homeowners Association has been using the Event Room every year for this annual meeting. Mayor Pro Tem Vernon made a motion to approve the variance and Councilperson Clark provided a second. The motion passed unanimously.
- 7.5. *Consider/Approve Resolution 2020-04 amending the Building Permit Fee Schedule.* Mayor Pro Tem Vernon explained that the changes to the current building permit fee schedule included the addition of a General Contractor's permit fee of \$20 which is a way to track large renovations, and the second change lowers the \$50,000 valuation of the projects to \$20,000 for cosmetic changes. Councilperson Findley made a motion to approve and Mayor Pro Tem Vernon seconded. The vote was unanimous.
- 7.6. *Consider/Approve the Certification of Unopposed Candidates dated February 24, 2020.* Councilperson Michalak made a motion to approve and Councilperson Clark provided a second. The motion was approved unanimously.
- 7.7. *Consider/Approve Ordinance 467 canceling the May 2, 2020 General Election and declaring unopposed candidates for Council Member Positions 3, 4, & 5 elected to office.* There was a motion to approve by Councilperson Findley and a second from Councilperson Michalak. The vote was unanimous.
- 7.8. *Consider/Approve the addition of the licensing/registration module for the IworQ permitting software.* City Secretary Rachel Lewis presented a proposal from IworQ to add a licensing module which would allow contractors to apply using the web portal and would also allow city staff to track other licenses required by the City. She stated that there is enough money left from the sale of excess equipment to pay for the additional license which costs \$1500 per year. Mayor Pro Tem Vernon stated that this module is needed and would reduce the data entry required to complete contractor registrations. Councilperson Findley stated that the adjustment in the building permit fees schedule should also help cover the expense of the module on an ongoing basis. Councilperson Michalak made a motion to approve the purchase of the IworQ licensing module and that it be funded this year from the sale of excess equipment. Mayor Pro Tem Vernon seconded. The vote was unanimous to approve.
- 7.9. *Discuss/Approve repairing treadmills for a cost of \$3655.08 or a plan to replace existing equipment and/or repair and consider a budget adjustment accordingly.* Mayor Pro Tem Vernon explained that the equipment in the fitness center was budgeted for replacement in the past, but the equipment has not yet been replaced. A written report is attached. Councilperson Clark stated he would like to budget for it next year due to the gym revenue being down. Councilperson Michalak agreed that repairs to the equipment should be done but then stated there should be a plan to budget to replace the equipment over the next three years. He also suggested that the City look into leasing the equipment to see if that will save money. Mayor Pro Tem Vernon made a motion to approve. There was no second so the motion died. Councilperson Kuehnel made a motion to postpone and that the City look into leasing options. Councilperson Michalak seconded. Councilpersons Michalak, Findley, Clark, and Kuehnel voted in favor and Mayor Pro Tem Vernon was opposed. The motion to postpone passed.

7.10. *Discuss the addition of speed bumps/humps within the City.* Councilperson Clark stated he would like to have a workshop to look at the possibility of speed bumps/humps placed within the City to help combat speeding. Mayor Skelton stated that there must be a financial discussion to determine if there are funds available to do this. Mayor Skelton also stated that transportation studies usually must be done for this type of thing before any real discussion can take place. Councilperson Michalak asked about an estimated cost and Councilperson Clark said that no cost information has yet been gathered. Mayor Pro Tem Vernon stated that the police department does not have the man power to have officers sit at all locations where speeding occurs and is not against gathering data to see if any data supports the City utilizing speed bumps.

8. Future Agenda Items

CITY OF EL LAGO

MINUTES OF THE MARCH 15, 2020 EMERGENCY CITY COUNCIL MEETING 411 TALLOWOOD DRIVE, EL LAGO, TEXAS 77586

1. **Call to Order** Mayor Skelton called the meeting to order at 5:00 PM.

2. **Invocation and/or Pledge of Allegiance**

3. **Declaration of a Quorum**

Present: Mayor John Skelton
Councilperson Shawn Findley
Mayor Pro Tem Ann Vernon
Councilperson Darin Clark
Councilperson Jeff Michalak
Councilperson Kris Kuehnel

Mayor Skelton stated that the deadline for applications for a place on the ballot for City Council positions has passed and all incumbents are unopposed so there will not be a general election held this year.

4. **Citizen Comments**

There were no citizen comments.

5. **Mayor Skelton's comments on the current COVID-19 pandemic and the state of the city**

Mayor Skelton discussed the need for modifying public area accesses due to the COVID-19 threat and recommended closing City Hall and the court to the public and have staff present to conduct business by phones, email, and online applications. Additionally he recommended that court dates be postponed for at least one week. Mayor Skelton made a recommendation that the gym be closed until further notice. Mayor Pro Tem Vernon asked if the gym fees would be refunded. She then recommended that if the closure lasted two weeks or less then there would not be refunds, but if closures extended longer than two weeks then refunds could then occur. Councilperson Michalak stated that the decision to close the gym should be made now and the issue of refunds could be considered later. Mayor Pro Tem Vernon stated that rather than considering refunds, it would be easier to suspend the next payments scheduled for April 1, 2020 if the gym was still closed at that time. The decision was made to close the gym and suspend the payments as of April 1, 2020 if the gym continues to be closed.

Mayor Skelton stated that Governor Abbot is conducting conference calls to brief city officials regarding current status of the COVID-19 threat in the state and what decisions are being made. Mayor Skelton said he has been in contact with the Chief of Police and they have a plan in place to handle the threat. The Mayor said he has contacted WCID 50 and is expecting a return call to determine if any changes will need to be made there.

Councilperson Michalak raised a question about the restrooms in McNair Park and if they would be closed. Mayor Pro Tem Vernon stated that they would also be closed to the public as well as all City buildings.

6. **Emergency Management Coordinator Tom Merchant to speak on Continuity of Operations recommendations for the City**

The Emergency Management Coordinator, Tom Merchant, informed Council that there is a Continuity of Operations Plan with is designed to specify how the city will operate under non-normal situations. He discussed the need for PPE for staff and Mayor Skelton stated that staff would be practicing social distancing and will use hand sanitizer. Mr. Merchant asked if all scheduled events in the Event Room would be cancelled. After discussion by the Council it was determined that all events scheduled to take place in the Event Room would be cancelled and all City activities are cancelled until further notice. This will be reassessed in two weeks. Additionally, all deposits made during this time frame will be refunded.

Mr. Merchant asked if a declaration of disaster would be made by the City. Mayor Pro Tem Vernon stated that the City is covered by the Harris County declaration of disaster. Mayor Skelton said he did not feel that given that Harris County has made a declaration of emergency then a City declaration is not necessary.

Mr. Merchant informed Council that 23rd Psalm is covered by a state mandate and they are taking appropriate action. He then asked what will be done if a case of COVID-19 is found in El Lago. The Mayor stated that there may be additional measures enacted at that time but it will be revisited if that happens.

Tom Merchant shared a form including instructions for tracking the costs of COVID-19 to the City. He then read a statement that he recommended be distributed to the City via social media and the City's website. Mayor Skelton said he would release a statement via the City's website, robocall, Facebook, Nextdoor, on the following day. He also informed Council that the Governor's office is looking at ways that Council Council and board meetings can be conducted during this time so there may be temporary changes enacted soon. Mayor Pro Tem Vernon provided a copy of the notices that will be posted at all City locations for Council to review.

7. New Business

- 7.1. *Discuss/approve action to protect the El Lago citizenry and the general public including actions as related to city services and City Hall.* Mayor Skelton explained that City Hall and the Courts will be closed to the public but staff would be working using phones, email, and online access. The City gym and the park bathrooms would be closed. All events scheduled in the Event Room will be cancelled. Councilperson Michalak made a motion to approve and a second was provided by Mayor Pro Tem Vernon. The vote was unanimous to approve.
- 7.2. *Discuss/approve action plan to protect City employees including City Hall an Municipal Court workplace environment.* Mayor Pro Tem Vernon explained that staff will practice social distancing. This means they will work separately and stay 6 feet apart. The Mayor said that staff will be paid if the offices close completely. Inspections will be postponed for one week and the Mayor will reassess. Mayor Pro Tem Vernon made a motion to approve and Councilperson Findley seconded. The motion was approved unanimously.
- 7.3. *Discuss/approve continuity plan for City government and services* Mayor Skelton stated that a policy is in place that all checks must be approved prior to being signed. The Mayor requested that this be waived due to the Council meetings being cancelled, but the check detail can still be sent to all Council members via email. Mayor Pro Tem Vernon made a motion to approve a continuity of operations plan to allow the Mayor and other check signers to pay City bills during the time the City is under the Harris County State of Emergency, which temporarily suspends the City Council plan for prior approval to sign checks. A second was provided by Councilperson Michalak. The vote was unanimous to approve.

8. Adjournment – There being no further business the Mayor adjourned the meeting at 6:09 P.M.

ORDINANCE 468

AN ORDINANCE ALTERING THE PRIMA FACIE SPEED LIMITS ESTABLISHED FOR VEHICLES UNDER THE PROVISIONS OF § 545.356, TEXAS TRANSPORTATION CODE, UPON THE BASIS OF AN ENGINEERING AND TRAFFIC INVESTIGATION, UPON CERTAIN STREETS AND HIGHWAYS, OF PARTS THEREOF, WITHIN THE CORPORATE LIMITS OF THE CITY OF EL LAGO, AS SET OUT IN THIS ORDINANCE; AND PROVIDING A PENALTY OF A FINE NOT TO EXCEED \$200 FOR THE VIOLATION OF THIS ORDINANCE.

WHEREAS, § 545.356, Texas Transportation Code, provides that whenever the governing body of the City shall determine upon the basis of an engineering and traffic investigation that any prima facie speed therein set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of a street or highway within the City, taking into consideration the width and condition of the pavement and other circumstances on such portion of said street or highway, as well as the usual traffic thereon, said governing body may determine and declare a reasonable and safe prima facie speed limit thereat or thereon by the passage of an Ordinance, which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the street or highway;

NOW, THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL LAGO, TEXAS:

Section 1. Upon the basis of an engineering and traffic investigation heretofore made as authorized by the provisions of § 545.356, Texas Transportation Code, the following prima facie speed limits hereafter indicated for vehicles are hereby determined and declared to be reasonable and safe; and such speed limits are hereby fixed at the rate of speed indicated for vehicles traveling upon the named streets and highways, or parts thereof, described as follows:

Along NASA Road 1, from the west city limit to the east city limit of the City of El Lago, a distance of approximately 0.661 mile, the speed limit shall be 45 MPH.

Section 2. Any person violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not more than Two Hundred Dollars (\$200).
